

Full Moon (Light) vs. Dark Moon

Are we not the children of day keeping the instructions of His Light since He separates the day from the night?

The 1st chapter of Genesis shows us that the morning is the beginning of the day and the evening is the end of the day.

John 11:9-10 Yahushua answered, "Are there not twelve hours in the day? If anyone walks in the day, he does not stumble, because he sees the light of this world. But if anyone walks in the night, he stumbles, because the light is not in him."

1 Th. 5:5 for you are all sons of light and sons of day. We are not of night nor of darkness. So why do those seek after the nightly observation of the tiny crescent moon? Beware of those who stumble in the teachings of blindness that dominates the fleshly minds for the sake of the traditions of men.

Remember that David (1 Sam. 20:5-27) saw the full moon rising at the sunset knowing that tomorrow came to be the day of Chodesh (new month), in contrary to many who do in the night locating the tiny crescent moon.

New Moon is meant in fullness, freshness, purity, Light, and Old Moon is in emptiness, impurity, blemish, darkness.

Many would call it the dark moon "new moon", but it is nothing of receiving any part of sunshine. What is opposed to the full moon (all light)? It is a dark moon (all dark). As for the full moon, it is like to build a house fully in which we call a new house. As for the dark moon, it is nothing to build a house, can we call it a new house? Therefore the full moon is built fully by the sunshine (the Light builder) and it is new.

The 7th full moon is also known as the Harvest Moon. It is how we gather the production harvested from the beginning of the lunar month (full moon) in order to celebrate the feast of Tabernacles, which is at the dark/empty moon (15th).

Full Moon (body being full of light) vs. Dark Moon (body being full of darkness):

Luke 11:34-36. "The lamp of your body is your eye: when your eye is sound, your whole body also is full of light; but when it is evil, your body is also full of darkness. Look therefore whether the light that is in you be not darkness. If therefore your whole body be full of light, having no part dark, it shall be wholly full of light, as when the lamp with its bright shining does give you light." **We are the children of Full (New) Moon seeing all things of Light, not the children of Dark Moon which are of the things of darkness.** 1 Th. 4:4-5 "But you, brethren, are not in darkness, that the day would overtake you like a thief; for you are all sons of light and sons of day. We are not of night nor of darkness."

The words of opposition are identified in both phases/kingdoms: Full Moon has the characteristics: full, love, warmth, all, light, life, pure, unblemishness, clothed, perfect, new. Dark Moon has the characteristics: emptiness, hate, coldness, nothing, darkness, death, impurity, blemishness, naked, imperfect, old.

Luke 11:33-36 "The eye is the lamp of your body; when your eye is clear, your whole body also is full of light; but when it is bad, your body also is full of darkness. If the eye is clear (**brightened sun**) then the body (**full moon**) is brightened, but if the eye is bad (**darkened sun**), then the body (**moon**) is darkened."

Spiritual birth in the Light (Full Moon) [I am the Light], purifying from all blemishness/filthiness, freedom from the slavery of darkness/kingdom of Satan, restoring to the full knowledge of Light/Righteousness from ignorance of deceit/wickedness.

His dividing Lights (Sun and Full Moon) gives us the lunar cycle to begin with: With the understanding of Gen 1:14-18, the two greater lights (the sun and the full moon) were divided to govern the day and the night, so that the sun shone daily and the full moon shone nightly but because of the violation of His Law, the man lost his power in charge of the living creatures, the woman was bruised to begin her monthly menstruation like the full moon leaks its lights and has its lunar cycle around the earth. Prov. 8:22-29 "YHWH possessed me at the beginning of His way, before His works of old. From everlasting I was established, from the beginning, from the earliest times of the earth..."; Ecc. 3:11; Isa. 40:21 "Do you not know? Have you not heard? Has it not been declared to you from the beginning? Have you not understood from the foundations of the earth?" His creation was at the beginning with the sun and full moon separated before He rested on the seventh day: Chodesh (Full Moon) and Shabbat were originally established for man, but after the fall of man, we have labor to restore back to the Chodesh (full moon) in order to keep the Shabbats within its lunar month.

Galatians 4:10 You observe days (yamim), months (chodeshim), and appointed times (moadim), years (shanim).

Dark moon (unseen) is in opposition of Full Moon (seen):

The dark moon lasts for roughly one day as it is the moment when the moon is directly between the Earth and the Sun. The full moon can last up to 3 days in reason when it needs 29th or 30th day depending on the sunset before the rising full moon then the new month (first day of lunar month) can be proclaimed at the next day. Psalms 90:12 "So teach us to number our days, that we may apply our hearts of wisdom." It is easier to begin the counting of days when seeing the full moon rising after the sunset.

The eternal cycle from new/full moon to next new moon:

Isaiah 66:23 "From one new moon to another and from one Shabbat to another, all mankind will come to worship before Me." We are the children of His Light (1 Th. 4:4-5). Matthew 12:8 "The Shabbat was made for man, not man for the Shabbat. So the Son of Man is Adon/Master of the Shabbat." The eternal rest in us is in His Kingdom of Light. Acts 26:18 to open their eyes so that they may turn from darkness to light and from the dominion of the satan to the Elohim, that they may receive forgiveness of sins and an inheritance among those who have been inside the sanctified ones by faith in Me.

Ps 81:3 "Blow the trumpet in the Chodesh [new month], at the full moon [phase], on the day of our feast."

(NAS, NKJV, Rotherham, NRVS, Green's Interlinear Bible, Restoration Scriptures True Name Edition)

Hebrew transliteration: **Tiq`uw ba-Chodesh shophar bakeceh lyom chagenu.**

The Hebrew word "keceh" as full moon also can be found in Job 26:9; Prov. 7:20.

I know a little on Philo writings, although the comments written by others seem different from what the Bible teaches us because of their traditions of men to follow. Isaiah 66:23 is about the cycle of Shabbats and cycle of Chodesh (full moon). There is no more night to see (Revelation 22:5) in which there is a separation of the fleshly works of darkness and the spiritual works of Light at the fleshly death (harvest time). If there is no more night in the heavens, it means one eternal sanctified day of Shabbat and full eternal light.

We have one mind of the Mashiyach in John 1:12-13, Philippians 2:5, Romans 12:2 as we are His sanctified people to follow His instructions. Isa. 55:8-9 “For My thoughts are not your thoughts, neither are your ways My ways,” declares YHWH. We know we need to pray for the guide out of His thoughts instead of the thoughts of men. As to 1 John 2:27 that no man is needed to teach us for His Holy Spirit is with us. That is why I often pray for the spiritual understanding out of His thoughts. When I seek Him much on my questions or His parables that are only spoken in the Bible, He always points the key verses and the words of perception to help me more and asks me to write down as I do always.

Again, it is easy to determine that is the first phase of lunar month as the two great lights were made in Genesis 1:16-18. It was continued till the first violation of His Law not to eat of the tree of good and evil then the full moon was first losing its light parts till the emptiness (darkness) every monthly like the womanly menstruation cycle for Eve and all women.

For those who believes in the first appearance of crescent moon, we are the children of day, not of night. The first appearance in the night of Feb. 20, 2023 is at 1:20am in the Minneapolis, Minnesota. Remember the pattern for the sun to rise and to set is the same for the full moon to rise after the sunset and to set for the new lunar month is set on the next day. The dark moon is likened to hide from the presence of the sun but we are the children of His Light to behold the El of Light and dwell in the heavens of Light eternally.

Book of Enoch pdf copies on chapters 73 and 78 are listed in the BayithaMashiyach USB.
